**Become a part of
this vibrant
Organization
of
Young People...**

Who?

We are the *Anglican Young Adults* Organization, which is the Young Adult arm of the parish. We range in age from 18-25 years.

The AYA of this diocese had its beginnings here at CTK. They began as the *Anglican Young Peoples Association* and was later renamed the AYA. The AYPA made significant contributions to this diocese and we in the AYA seek to do the same.

What?

Our organization aims to develop the *whole* person so that they can become an asset to their communities and the future of this diocese through Spiritual, Social, and Community involvement.

An array of *Unconventional* type activities are coordinated that address the various levels of need & interest to a typical young adult such as: Spirituality, Identity, Culture, Finances, Healthcare, Law, Government, Crime, Relationships etc.

The AYA also aims to provide training for future leadership roles within the parish.

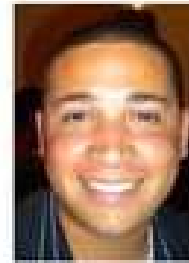

When & Where?

Meetings are held on Friday evenings at 8pm at CTK and usually concludes with an activity away from the church.
